

The Holmes Chapel Partnership is launching.

Sandbach, Middlewich, Congleton and Alsager have successful Partnerships, so it seems like a good idea for Holmes Chapel to be in on the act. Why? Because they have managed to get several projects underway to improve their communities by accessing funding not available to councils.

Anyone can get involved – you don't have to be elected or pay a membership fee. It's a chance to have your say about the way forward for Holmes Chapel:

- Explore ways of increasing the use of local shops and businesses by the people who live in the village.
- Develop a forum for local traders to exchange ideas.
- Manage the traffic to make the centre of the village somewhere to linger not to dodge the HGVs.

Please help to make a difference.
